TIME: Thursday, July 19, 1973
Attitude Adjustment Hour 6:00 - 7:00 p.m.
Dinner 7:00 p.m.
Presentation 8:00 p.m.

PLACE: Jolly Ox
881 Camino del Rio South
Mission Valley, San Diego

SUBJECT: Studies on Slope Erosion
California State Highway System

SPEAKER: Fred Warn, Engineering Geologist for the California State Highway Department. Fred has been with the State Highway Department since 1956 and has authored several excellent papers on landslides.

Reservations - Bill Elliott, 565-1955

NEWS: Members of the San Diego Association of Geologists (Mike Hart, Charles Lough, Bill Elliott and Jerry Pinckney) will be leading a field trip for the International Conference of Building Officials and the San Diego County Planning Directors Association on August 1, 1973. The trip will begin in San Diego and proceed north to Encinitas, Rancho Bernardo, Poway, National City and Chula Vista. Beach erosion, landslides, faults, and expansive soils will be the main topics of interest.
