

SAN DIEGO ASSOCIATION OF GEOLOGISTS

MEETING NOTICE

DATE: Thursday, June 19, 1975

SPEAKER: Dr. Francis P. Shepard: Dr. Shepard is well known for his work in submarine and marine geology. He has been a professor at Scripps Institute of Oceanography since 1942, and is now a Professor Emeritus since his retirement in 1967. Considered by many to be the father of marine geology, Dr. Shepard has published numerous articles and books on the subject.

TOPIC: "SEA COAST EROSIONAL PROCESSES"

TIME: Social Hour - 6:00 PM
Dinner - 7:00 PM
Speaker - 8:00 PM

LOCATION: Caesar's Mission Valley
5010 Mission Center Road
San Diego, California

Located between Mission Valley Shopping Center and Mission Valley Shopping Center West (North side of Interstate 8)

Reservations: Please don't forget to make reservations by 4:00 PM, Wednesday, June 18, 1975, at 565-1955.

Announcements:

The Association would like to extend their congratulations to Dr. George Moore who has accepted a position with the U.S.G.S. office in Menlo Park. We would also like to thank George for his local support through the years and wish him well. George leaves us "Holocene offset" along the Rose Canyon Fault, and numerous other fissures offshore and through San Diego Bay. Thanks George!!

Groundwater: Alan Mayo, with the County, has drafted preliminary guidelines to used by those of us involved in preliminary groundwater investigations. Check with Alan if you are interested.

Dennis Hannan is now working for Benton Engineering, located at 6717 Convoy Court, San Diego. He can be reached at 565-1955.

Don't Forget: Send guidebook contributions to Bob Dowlen at Krooskos and Assoc.

Please send your \$5.00 annual dues if you have not done so!!!
