TIME: Social Hour - 6:00 PM
Dinner - 7:00 PM
Speaker - 8:00 PM

LOCATION: Charcoal House
9566 Murray Drive
La Mesa, California
(located on the north side of Interstate 8 near the Grossmont Boulevard exit. Meal will be ordered from the menu and paid for on individual checks)

SPEAKER: Mr. Steve Lower - Steve received his B.S. in geology from San Diego State, where he is currently working on his M.S. His thesis is on the circulation of groundwater in the Laguna Mountains as determined from long term spring and stream discharge data. Steve is also working for the Integrated Planning Office, County of San Diego, where he is involved in geologic mapping and groundwater surveys to determine availability.

TOPIC: Mr. Lower's presentation will include a discussion of the circulation of groundwater in the Laguna Mountains, the origin of meadow areas and their role in localized and regional groundwater flow, recharge characteristics, and estimates of recharge to the crystalline bedrock.

RESERVATIONS: Please call for reservations by 5:00 PM Tuesday December 14, at 224-2911.

ANNOUNCEMENTS: It is time for nomination - or selection of officers for the coming year. It is emphasized that anyone who wishes to participate in helping make the Association function should make their intentions known.
