

# SAN DIEGO ASSOCIATION OF GEOLOGISTS

## JUNE MEETING ANNOUNCEMENT

- DATE: Thursday, June 30, 1977
- TIME: Social Hour - 6:00 p.m.  
Dinner - 7:00 p.m.  
Speaker - 8:00 p.m.
- LOCATION: Caesar's - Mission Valley  
5010 Mission Center Road  
San Diego, California  
(order from menu plus 75¢ gratuity)
- SPEAKERS: Messrs. Tom Kuper and Bob Schiedeman. Tom and Bob are both recent grads from San Diego State University, Department of Geological Sciences. Tom is now with Soil Testers and Bob is doing graduate work at USC.
- TOPIC: "The Distribution and Correlation of Miocene Sedimentary Rocks from Southwest San Diego County and Northwest Baja California." Tom Kuper will discuss the Sweetwater Formation and Bob Schiedeman will address the Otay and Rosarita Beach Formations.
- UPCOMING TALKS: SDAG July Meeting. The July SDAG meeting will also be held at Caesar's - Mission Valley on Thursday, July 28, 1977. Please mark this date on your calendars and plan to attend.
- ANNOUNCEMENTS: The County of San Diego has reopened their Engineering Geologist position. Applicants must be Certified Engineering Geologists in California. Contact the County Personnel Department for more information. The deadline for applications is July 11, 1977.
- If you've ever wondered how to barbeque cholla, or even how to identify it, you might be interested in a class being offered this July and August by the Natural History Museum. The class will focus on the flora of San Diego County. For more information contact Steve Hutchenson at the Museum, 232-3821.
