

SAN DIEGO ASSOCIATION OF GEOLOGISTS

SDAG MEETING ANNOUNCEMENT

DATE: Wednesday, February 28, 1979

TIME: Social Hour 6:00p.m.
Dinner 7:00p.m.
Speaker 8:00p.m.

LOCATION: Charcoal House
9566 Murray Drive (Exit I-8 at Murray Drive/
Grossmont Boulevard) La Mesa, California

SPEAKER: Dr. Richard Threet. Richard is Professor of
Geology at San Diego State University and a
consulting geologist. He received his B.S. and
M.S. at the University of Illinois and his Ph.D.
at the University of Washington.

TOPIC: "Rose Canyon fault: An alternative interpretation"

ANNOUNCEMENTS: Tom Kuper, SDAG's Treasurer, is moving to Oregon
to work with Dave Newton. Tom, we are going to
miss you. But not that much. Any member interested
in the office of Treasurer, should make her/his
presence known at the February meeting. A vote
will be held at that time.

DUES!! Yes, it is that time of year, again!!!
Whip inflation and join now at last year's rates--
\$5.50 Members and \$1.50 Student Members. Please
make checks payable to San Diego Association of
Geologists. You may bring your dues to the Febru-
ary meeting or mail it to the Treasurer, at an
address to be announced next month.

The South Coast Geological Society is conducting
an informal field trip to the Manix area (approx-
imately 37 miles east of Barstow), Saturday and
Sunday, February 24 and 25, 1979. Meet at Afton
Canyon campground at 8:00a.m.--no fee--bring your
own supplies--4-wheel drive recommended. For
further information or to RSVP if you plan to
attend, contact Jeff Keaton (213)879-9700.

SDSU Geological Sciences Talks; Chemistry-Geology
Building, Room 302, 4:00p.m.: Feb. 21, 1979--
Dr. J. Alan Bartow, USGS, "The 'Great' Oligocene
Regression" and Feb. 28, 1979--Dr. Gregory A. Davis,
USC, "Enigmatic Low-Angle Faulting of Miocene Age,
Southeastern California and Western Arizona".
