Tel. (619) 457 - 2711
Please make a reservation if you plan to attend.

NEWS & NOTES

1) The speaker for this meeting, Dr. Tom Rockwell, will speak briefly about how big, how often, and where earthquakes occur along the Elsinore Fault Zone. The second part of the talk will be on what is known about slip rates and seismic hazards of most of the major faults in Southern California and Northern Baja California, including the continental borderland; and how they relate to the seismic hazard of San Diego.

IMPORTANT DATES OF UPCOMING EVENTS - PLEASE MARK YOUR CALENDARS!

2) SDSU GEOLOGY ALUMNI PICNIC - SEPTEMBER 12, 1987. Watch for further details.

3) SDAG FIELD TRIP - TENTATIVE DATE - SEPTEMBER 19, 1987. This will be a one day trip to the Julian Gold Mining District. Details will follow in a separate mailing.

4) The field trip sponsored by the South Coast Geological Society will be held SEPTEMBER 24 - 26, 1987. (Yes, these are new dates!) The trip to the Owens Valley will also include the Panamint Valley. SCGS is soliciting papers and information for the field trip volume. For more information please contact Mr. Eldon Gath (714) 598-2856 or Mr. Don Fife (714) 544-8406.

5) JOB OPPORTUNITY - Ninyo & Moore, Geotechnical Consultants, San Diego, is actively looking for a Senior Geologist and Senior Engineer with Earth Dam and Waterfront project experience. Excellent benefits including major medical and dental insurance for the employee and dependents. Submit resumes in confidence to: Ninyo & Moore, 10225 Barnes Canyon Road, A-112, San Diego, California 92121, Attention: Mr. Avram Ninyo.
