## ANNOUNCEMENTS:

- 1) Call for Donations for the yearly December raffle meeting. SDAG will raffle maps, books, geology equipment, or any other item contributed. If you would like to contribute, please contact Sue Tanges or Lyne Perry at Leighton and Associates (619) 292-8030.
- 2) Call for Posters for December meeting. Traditionally, the December meeting has been a poster session where you can display any geologic or geotechnical work that you or your company would like to share with the rest of the geologic community. Students from San Diego State University will also be presenting posters based on their thesis research. This is an excellent way of having the geotechnical community interface with students. If you have a poster that you would like to display at the December meeting, please contact John Hoobs at Geocon Incorporated (619) 558-6900.
- 3) SDAG is looking for corporate sponsors to help us in our yearly expenses. SDAG received corporate sponsorships in November from GeoSoils, Inc., Perry Crampton, and Hargis and Associates. SDAG would like to thank them for their sponsorship and we will recognize them in our 1989 SDAG Directory. If you or your company would like to become a corporate sponsor and be recognized in our SDAG newsletter, SDAG Directory and at the following month's meeting, send a minimum \$100 contribution to SDAG c/o Mr. John Hoobs, Geocon Incorporated, 6960 Flanders Drive, San Diego, California, 92121-2974.
- 4) The SDAG 1989 publication will be a joint publication with the Southern California Earthquake Preparedness Project (SCEPP). The publication will include proceedings from the Rose Canyon Fault Zone workshop held June 29 and 30, 1989. The publication will include the SDAG 1989 field trip road log for the field trip held on October 21 and 22. The publication will be available (hopefully) by January.
- 5) The December ASCE Meeting will be held at the Stardust Hotel in Mission Valley on Thursday December 7, 1989 at 5:30. Their speaker will be Dr. James K. Mitchell who will speak on Failed Expectations.
- 6) The Fourth Annual San Diego State University Department of Geology Alumni Field Trip will be held on February 23, 24, and 25, 1990. This year's trip will focus on the Painted Canyon fault in the Mecca Hills. This will be dry camping so bring everything (including water). Call Bill Elliott at (619) 586-0870 for details and directions.
- 7) It's that time of year again! Time to vote! Enclosed is the 1990 SDAG Executive Committee ballot. Please bring your completed ballot to the December meeting (or mail to John Hoobs). SDAG nominates the slate of officers indicated on the ballot. Please note that SDAG will have four, instead of five, committee members in 1990. After reviewing the Association by-laws, the position of Publications Coordinator will be deleted. These duties are the responsibility of the Vice Chairperson.

ANNOUNCEMENTS (Continued):

- 8) Al Masry is planning a car pool trip to the Coyote Mountains on December 9, 1989. Will hike eight miles to the Elsinore fault escarpment for lunch. Call Al at 484-9419 for more information.
- 9) Deadline for announcements to be included in the January newsletter is December 29, 1989. Please submit to Sue Tanges in writing, at Leighton & Associates, 3934 Murphy Canyon Road, Suite B205, San Diego, CA 92123 [Fax (619) 292-0771].

JOB OPPORTUNITIES:

- 1) Alton Geosciences is actively looking for Hydrogeologists, Environmental Engineers, and Geologists for the San Diego office. Successful applicants will be team players with strong written and oral communication skills. Highly competitive salaries and benefits. Please submit resumes in confidence to: Alton Geoscience, 6450 Lusk Blvd., Suite E-104, San Diego, California 92121.
- 2) Vapor Extraction Technology (VET) is seeking a State of California Registered Geologist to hire for their San Diego office. Benefits include medical insurance and profit sharing. Interested personnel should send resume and appropriate information to: VET P.O. Box 231449 San Diego, CA 92123 Attn: Mr. Tom Lahey.
- 3) EnecoTech S.W., is actively seeking qualified applicants for positions in their San Diego office. Applicants should have 1-2 years environmental experience with background in geology, chemical engineering, environmental engineering or air resources. EnecoTech offers competitive salaries and a comprehensive fringe benefits package. For consideration, please submit resumes in confidence to EnecoTech S.W., Inc., P.O. Box 19350, San Diego, CA 92119.
