## **ANNOUNCEMENTS:**

1. SDAG is looking for 1991 corporate sponsors to help cover our yearly expenses. Corporate contributions are used to sponsor students at our monthly meetings and to upgrade our equipment, etc. If you or your company would like to become a corporate sponsor and be recognized in our SDAG newsletter, directory, and at the following month's meeting, send a minimum of \$100 contribution to SDAG c/o Lyne Perry at Leighton and Associates. SDAG would like to thank PSI American Engineering for becoming a corporate sponsor in January. Thank you PSI AMERICAN ENGINEERING (i.e. Steve Bradley). In addition, SDAG would also like to thank Leighton and Associates - San Diego Office for their continued corporate sponsorship. Thanks LEIGHTON.
2. 1991 SDAG membership dues are due. A membership form is attached for those who have not renewed their 1991 membership. Please complete and mail to Lyne Perry at Leighton and Associates. Dues may also be paid at the monthly meeting.
3. IT'S HERE! The 1989 SDAG/SCEPP publication has finally arrived. If you attended the 1989 Workshop, SCEPP will forward a copy to you. If you attended the 1989 SDAG Field Trip, SDAG will forward a copy to you. If you participated in both, you will receive two copies. SDAG does not yet know the cost of the publication, so those of you who wish to purchase a copy, contact Sue Tanges at (619) 292-8030 for the latest update.
4. The Fifth Annual SDSU Alumni Winter Field Trip will be held on the weekend of February 22, 23, and 24, 1991 in the Southern Coyote Mountains/Fossil Canyon. Please call Bill Elliott for details at (619) 586-0870. See Ya There!!!
5. Deadline for announcements to be included in the March newsletter is February 28, 1991. Please submit in writing to Lyne Perry at Leighton and Associates (FAX (619) 292-0771).

## **EMPLOYMENT OPPORTUNITIES:**

1. The University of San Diego, Marine and Environmental Studies Program, invites applicants for a tenure-track position in geology and geochemistry at the assistant professor level beginning in September 1991. Send curriculum vitae, a description of teaching philosophy, research interests, and three letters of reference by February 13, 1991 to: Director, Marine & Environmental Studies Program, University of San Diego, Alcalá Park, San Diego, California 92110.
2. The San Diego County Department of Planning and Land Use is seeking highly qualified applicants with professional hydrogeologic experience as a Groundwater Geologist. Incumbents may assist in, or be responsible for, coordinating/setting standards for all County activities related to groundwater. The examination closes on February 20, 1991. Annual Salary: \$45,593 - \$55,432. For recorded job information call (619) 531-5764 or come in to Department of Human Resources, 1600 Pacific Highway Room 207, San Diego, CA 92101-2463, (619) 236-2191.
3. Artim and Associates is accepting resumes from engineers and geologists for their new office in San Diego. At least one year experience is preferred, but we can train if necessary. Please send resume with salary expectations to: Artim and Associates, 635 "C" street, San Diego, CA 92101, Attention: Judy Bareno.
4. Ninyo and Moore is seeking experienced engineers and geologists for their San Diego and Irvine offices. Also seeking chief geotechnical engineer and chief engineering geologist for the Irvine office. Submit resume to: Ninyo and Moore, 15375 Barranca Parkway, Suite A-101, Irvine, California 92718, Attention: Mr. Avram Ninyo.
