

# SAN DIEGO ASSOCIATION OF GEOLOGISTS

## 1993 EXECUTIVE COMMITTEE

**CHAIRMAN**

Lyne Perry  
Converse Consultants West  
9471 Ridgehaven Ct, Ste C  
San Diego, CA 92123  
(619) 268-3360

**VICE CHAIRMAN**

Joe Coronas  
City of San Diego  
4950 Murphy Cyn Rd, Ste 101  
San Diego, CA 92123  
(619) 492-5034

**SECRETARY**

Phil Rosenberg  
Ninyo & Moore  
10225 Barnes Cyn Rd, Ste A-112  
San Diego, CA 92121  
(619) 457-0400

**TREASURER**

Anne Sturz  
USD Marine & Environ. Studies  
Alcala Park  
San Diego, CA 92110  
(619) 260-4600, X4481

PLEASE MAKE RESERVATIONS BY MONDAY, JANUARY 18!!

### MEETING NOTICE

WEDNESDAY, January 20, 1993

**TOPIC:** A Journey Into the Culture and Geology of Kosrae, Federated States of Micronesia  
by Daryl Streiff and Mike Hatch

**PLACE:** Ramada Inn/Tickled Trout  
2151 Hotel Circle South  
San Diego

**TIME:** 6:00 - Social Hour  
7:00 - Dinner  
8:00 - Program

**DINNER:** Chicken teriyaki, tossed green salad, rice, vegetable du jour, rolls & butter, chocolate kahlua nut  
krunch cake, coffee, tea, or milk

**COST:** \$18.00 (Please make checks payable to SDAG)

**RESERVATIONS REQUIRED!** by noon Monday, January 18. Please phone in your reservation ASAP to the  
receptionist at Ninyo & Moore, (619) 457-0400. Please call Ninyo & Moore if you need to cancel your  
reservation.

Woodward-Clyde Consultants was retained by a coastal design engineering firm to conduct studies on the Island of Kosrae in Micronesia. The project goal was to identify sources of sand and armor stone for construction of a shoreline protection structure. Approximately 3,000 feet of beach was eroded during storm events after areas of the reef flat had been excavated for road fill during construction of an airport and harbor facility. With funds from the settlement of a lawsuit (yes, it even happens on tropical islands), design and geotechnical work was undertaken that will ultimately lead to restoration of the beach and save the local homes, a church, and a road from being carried away by the sea.

The talk will discuss the project, the geology encountered during the field studies, the culture and wonderful people of Kosrae. Daryl Streiff is a consulting engineering geologist, and Mike Hatch is an associate with Woodward-Clyde Consultants.

Due to numerous requests by our members, smoking will not be permitted in the meeting room. Your cooperation will be appreciated.

## **ANNOUNCEMENTS:**

1. SDAG wishes to thank John Minch and Associates, Allied Geotechnical Engineers, and Robertson Geotechnical for 1993 Corporate Sponsorships. SDAG is still looking for other corporate sponsors to help in our yearly expenses. Corporate contributions are used to sponsor students at our monthly meetings and to upgrade our equipment, etc. If you or your company would like to become a corporate sponsor and be recognized in our SDAG newsletter, directory, and at the following month's meeting, send a minimum \$100 contribution to SDAG c/o Phil Rosenberg.
2. The 8th Annual SDSU Geology Department alumni field trip will be held on the weekend of February 27 and 28, 1993. We are planning to stay at Joshua Tree National Monument, with field trips up to the Landers/Yucca Valley area to look at fault scarps, etc. Call Bill Elliott at (619) 586-0870 for details.
3. 1993 SDAG membership dues are due in January. A membership form is attached. Please complete and mail to Phil Rosenberg. Dues may also be paid at the monthly meetings.
4. Buy SDAG Publications. SDAG has an extensive inventory of publications for sale. Many of these make good reference materials on local geology, and are very reasonably priced.
5. SDAG is looking for speakers for 1993 meetings. If you would like to be a speaker, or know of someone who has worked on an interesting project and who would be willing to be a speaker at a SDAG meeting please contact Lyne Perry. Don't be shy, SDAG would like to hear from you!!!
6. Deadline for announcements to be included in the February Newsletter are due by January 15. Please submit your items to Phil Rosenberg at Ninyo & Moore, FAX (619) 558-1236.
7. The February meeting will be a joint meeting with SCGS on MONDAY, February 1, 1993, at the El Adobe Restaurant in San Juan Capistrano.
8. Study Partner(s) are wanted in San Diego for the 1994 RG Exam. Please contact Lou Janos (619) 275-5758.
9. The City of San Diego is reminding all geotechnical consultants to ensure that geotechnical/geologic reports, particularly as-built reports submitted to the City of San Diego, include all pertinent information, as outlined by the City of San Diego Technical Guidelines for Geotechnical Reports (1988). The guideline is available from the Engineering Department, Maps and Records Section, Second Floor, City Operations Building at 1222 First Avenue (\$4.00). Reports which lack information suggested by the guidelines may be rejected by the City Engineer and sent back to the applicant for correction. Although most consultants' reports are satisfactory, review of recent as-built reports has shown a general lack of sufficient attention to the recommendations of the original investigation. For additional information, please call Rob Hawk at (619) 236-7236.

We do not anticipate that the above reminder of our standing policy will result in significant additional costs or delays inasmuch as most firms currently issue reports in general conformance with the Guidelines. However, we wish to inform your members so that any unnecessary delays may be avoided. If you or any of the general membership have any questions, please call the numbers listed above. We appreciate your cooperation in helping us communicate with the geotechnical community.

## **EMPLOYMENT OPPORTUNITIES:**

1. IT Corporation, a full-service environmental consultant/contractor, is looking for experienced environmental professionals to join the San Diego office. Opportunities for geologists, and chemical and civil engineers are currently available. Please send resumes in confidence to:

International Technology Corporation  
5754 Pacific Center Boulevard, Suite 203  
San Diego, California 92121  
Att: Maureen Bailey
