FIELD TRIP NOTE: All field trip participants will be receiving a separate mailing the week before the trip. Contact Joe Coronas at 495-5034 (day) or 484-3582 (evening) for additional information or questions covering the field trip.

ANNOUNCEMENTS:

1. **Call for Posters and Slides.** The November SDAG Meeting will include a poster session where you can display and discuss interesting geologic stuff you would like to share. Please call Lyne at 445-3928 if you have a poster you would like to exhibit. The meeting will also include an open carousel presentation of our member's most interesting, embarrassing, funniest, memorable, etc. 35mm slides. Please feel welcome to share 1 to 5 slides of something geological.
2. **Call for Raffle Donations!** SDAG will be holding its annual raffle during the November meeting and is seeking donations. If you would like to contribute rocks, maps, books, or ??, please contact Lyne at 445-3928.
3. **Nominations for the 1994 SDAG Executive Officers** will commence at the November meeting. If you are interested in running for an office (ie. treasurer), please contact Lyne Perry at 445-3928. SDAG needs someone who is willing to volunteer four years of their time and energy for the opportunity to have a great time planning and organizing monthly meetings, annual field trips and picnics. Don't be shy, let us know at the November meeting if you are interested in being nominated for SDAG's 1994 Treasurer.
4. **Deadline for announcements to be included in the December Newsletter is November 26.** Please submit your items to Phil Rosenberg at Tetra Tech, FAX (619) 450-0626.
5. The **December meeting** will be held on **Wednesday, December 15** at the **San Diego Natural History Museum**. The speaker will be Tom Demere.
6. SDAG wishes to extend a special thanks to **Catlin Engineering** for preparing the **SDAG Membership Directory**. SDAG also wishes to thank **Barrett Environmental Services, Group Delta Consultants, Daryl Streiff, Hargis+Associates, PSI, Inc., Gallagher Drilling, Converse Consultants West, Southland Geotechnical Consultants, Bill Elliott, TEG, John Minch and Associates, Allied Geotechnical Engineers, Pacific Soils, Tony V. Sawyer, GeoTech Imagery, IT Corporation, and Robertson Geotechnical** for 1993 Corporate Sponsorships. SDAG is still looking for other corporate sponsors to help in our yearly expenses. Corporate contributions are used to sponsor students at our monthly meetings and to upgrade our equipment, etc. If you or your company would like to become a corporate sponsor and be recognized in our SDAG newsletter, directory, and at the following month's meeting, send a minimum \$100 contribution to SDAG c/o Phil Rosenberg.
7. SDAG is in the process of updating the 1993 Membership Directory. If you have experienced a name, address, telephone, or employment change since completing your 1993 membership form earlier this year, please contact Phil Rosenberg.
8. **Mark your calendars.** The 8th Annual SDSU Alumni Camping Trip will be held on the weekend of February 26-27, 1994. The alumni group is planning on visiting the Cargo Muchacho Mountains with possible trips to mining operations in the area. Details to follow.
9. The City of San Diego is updating the Grading Ordinance. As part of that effort, the City is composing a general grading manual which will contain geotechnical specifications. The new manual will be similar in nature to the Engineering and Development Department's "Technical Guidelines for Geotechnical Reports" or the "Manual for the Preparation of Land Development and Public Improvement Plans", and may be updated periodically by the City Engineer. The manual will provide general requirements for grading plans approved by the City Engineer. The City would appreciate any comments or suggestions from SDAG members and copies are available by calling Charlene McPherson at 236-6965. Please forward comments in writing to Rob Hawk at the City of San Diego Engineering Department, 1222 First Ave., MS 502, San Diego, CA 92101. If you have any questions, please call Rob Hawk at 236-7236.
10. **Position Available:** EnecoTech Southwest is seeking engineers (B.S. Degree minimum) with remediation experience. Send resumes in confidence to: EnecoTech Southwest, Inc., 7425 Mission Valley Rd., Ste 201, San Diego, CA 92108
11. SDAG would like to wish Ian Johnston a speedy recovery.
