

A DAY IN THE FIELD WITH TOM DIBBLEE

Glendora/Baldy Village area.

May 24, 2003

The **Dibblee Geological Foundation** and the **Santa Barbara Museum of Natural History** invite you to participate in A Day In The Field with *living-legend* **Tom Dibblee**, along with Cal Poly Professor **Jon Nourse**, Northridge Professor **Peter Weigand**, and Dibblee Map Editor **John Minch**. **Tom and John's** San Gabriel map collection will be available and will be featured.

Great views and precipitous canyon and waterfall outcrops reveal processes of extension, intrusion, rotation, and displacement associated with subduction magmatism and a later evolving dextral plate boundary. There will be dramatic geology for every interest.

Proceeds will benefit the **Dibblee Geological Center** of the Santa Barbara Museum of Natural History, a 501(c)3 nonprofit educational organization. Proceeds from this fund-raiser will be utilized exclusively for efforts towards the continued publication of Tom Dibblee's extensive geologic mapping of California.

Fee: \$150 (includes transportation, coffee and doughnuts, BBQ lunch catered by Halliburton, ski lift, and guidebook plus map)

Registration deadline is May 10, 2003.

For further information, e-mail John Powell at dibbleemap@adelphia.net, (805) 987-5846, or write to PO Box 2309, Camarillo, California 93011

Name _____ Name 2 _____

Street Address _____ City _____ Zip _____

Phone _____ Fax _____ e-mail _____

Here is my \$ _____ (\$150 for each person) I can not attend but here is my gift to the DGC \$ _____

_____ I have a van that can be used on the field trip that will hold this number of passengers: _____

_____ Please contact me about Planned Giving opportunities to support the publication of Tom's remaining 390 maps.

Make checks payable to the **SBMNH / Dibblee Geological Center** and mail this form with your check to:

John Powell, PO Box 2309, Camarillo, California, 93011.
