

# SAN DIEGO ASSOCIATION OF GEOLOGISTS

## MAY MEETING ANNOUNCEMENT

DATE: Tuesday - May 24, 1977

PLACE: Caesar's Mission Valley  
5010 Mission Center Road  
San Diego, California  
(Order from menu plus 75¢ gratuity)

SPEAKER: Dr. Monte Marshall, Department of Geological Sciences, San Diego State University.

Monte earned his B.A. degree in geology from SDSU in 1966, then went on to obtain his PhD in geology and geophysics from Stanford in 1971. From 1971 through 1974 Monte was with the U.S. Geological Survey in Menlo Park as a Research Associate specializing in paleomagnetism and petrology of submarine volcanic rocks.

TOPIC: "Life aboard the Glomar Challenger - What two months at sea can do for your psyche and for science." This talk will be an illustrated account of the procedures involved in obtaining cores from the sea floor and what we can learn from those cores.

JOB OFFER: The County of San Diego is in search of a Certified Engineering Geologist. Contact the County Personnel Office, 1600 Pacific Highway, San Diego, California 92101 for information. The deadline for applying is June 6, 1977.

P.O. BOX 20774, SAN DIEGO, CALIFORNIA 92120
