

SAN DIEGO ASSOCIATION OF GEOLOGISTS

JANUARY MEETING ANNOUNCEMENT

DATE: Wednesday, January 25, 1978

TIME: Social Hour 5:30 p.m. NOTE: The new time of the
Dinner 6:30 p.m. meeting this month is 1/2
Program 7:30 p.m. hour earlier.

LOCATION: Caesar's - Mission Valley
5010 Mission Center Road
San Diego, California
(Order from menu plus 75¢ gratuity)

PROGRAM: This month's program will consist of informal discussions and presentations of unique or interesting geologic conditions encountered by local geologists. Scheduled presentations are; Ken Sherrod speaking on "Evidence for a new interpretation of the age and stratigraphic relationships of the Lusardi, Point Loma, and Cabrillo Formations," and Mike Hart and Bob Dowlen will discuss recent discoveries of extremely large ancient landslides in the Oceanside area. Hopefully other members will be stimulated to discuss interesting conditions which they have encountered.

ANNOUNCEMENTS: Dues are due again. Regular member \$5.50 - Student member \$1.50. Mail your dues with the attached form to:

Mr. Joseph P. Egan, Jr.
1452 Lemon Avenue
El Cajon, CA 92020

State Board of Geologists and Geophysicists examinations are scheduled as follows:

May 19, 1978 - Geology and Geophysics
May 20, 1978 - Engineering Geologists

Final date for May exams is February 19 for new applications and March 19 for applications to retake the examinations. Inquire at the Board Office, 1020 N Street, Room 421, Sacramento, CA 95814 or Tele. (916) 445-1920.

ELECTED 1978 OFFICERS: Kendal Sherrod - Chairman
Michael Hart - Vice Chairman
Gregory T. Farrand - Secretary
Joe Egan - Treasurer
