ANNOUCEMENTS

Congratulations to Mike Chapin on his successful completion of the California Registered Geologist and Certified Engineering Geologist Exam.

John Peterson at the County of San Diego has asked SDAG to support the proposed USGS/County of San Diego Ground Water Investigation. This item will be discussed at the February meeting.

The 1983 AEG Convention Committee will meet February 23 at the Sheraton Harbor Island. The meeting will be at 4:30 in Room 412-415. (Yes, that says 412-415).

The March meeting of the South Coast Geologic Society will feature Dr. Greg Davis of USC speaking on the "Late Genozoic Tectonics of the Columbia Plateau," on March 7, 1983 at the Revere House in Santa Ana.

ONE MORE TIME--Dues are due again. Starting in March, paid members will receive a \$2.00* discount on the dinners. Staring in April, non-paid members will be dropped from the newsletter.

*No, the price of dinners won't go down. Non-members will just pay more.
