

SAN DIEGO ASSOCIATION OF GEOLOGISTS

DATE: Thursday, April 12, 1984
TIME: Happy Hour - 6:00
Dinner - 7:00
Program - 8:00

This is a joint meeting with the San Diego Section
A.S.C.E.

PLACE: San Diego Yacht Club
1011 Anchorage Lane
San Diego, California

Dinner will cost 13.00 (including tax and gratuity) and will include a choice of either Beef en Brochette or Chicken Cordon Bleu. You will need a ticket to be served dinner.

Reservations are required and must be made by noon Wednesday April 11, with the Secretary at Geocon, Incorporated at 695-2880.

SPEAKERS

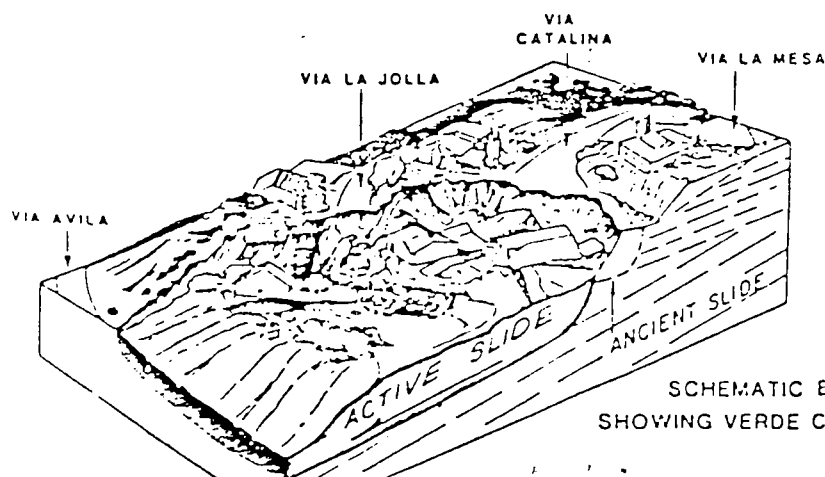

Mr. Lawrence R. Cann, Senior Vice President and Chief Engineering Geologist / Mr. Iraj Poormand, Chief Geotechnical Engineer, Leighton and Associates, Inc.

Both speakers have over 15 years experience on a variety of investigations involving geotechnical disciplines for private and public clients including the Bluebird Canyon Landslide for the City of Laguna Beach.

TOPIC

Verde Canyon Landslide, City of San Clemente, CA.

Leighton and Associates, Inc. was hired by the City of San Clemente to conduct a preliminary investigation of the slide that included assessment of causes of the slide, the threat from the 4-acre slide to perimeter lots, and alternative means of stabilization.
