SUMMARY: Mr. Spellman and Mr. Evans have been jointly working with their respective California Boards of Registration to develop guidelines which delineate the areas of expertise for geotechnical engineers and engineering geologists. Mr. Evans will give a progress report on the development of the guidelines and their impact on the geotechnical engineering profession. Mr. Spellman will discuss the impact of the guidelines on the practice of engineering geologists.

Howard "Buzz" Spellman is a Registered Geologist and Certified Engineering Geologist. Mr. Spellman was on the Board subcommittee that helped update the original 1970 version of the "Fields of Expertise" document.

Dennis A. Evans operated his own consulting firm prior to joining Shepardson Engineering three years ago. He received his Engineer of Mines degree from the Colorado School of Mines in 1958. He is a Registered Geologist, Certified Engineering Geologist, Registered Civil Engineer and Geotechnical Engineer.

ANNOUNCEMENTS:

1. SDAG is pleased to announce that two SDSU students received SDAG scholarships! Graduate student, Kevin Robinson and undergraduate student, Bob Stroh were the honored recipients. Their respective thesis topics will be presented at the SDAG meeting in April. Our thanks to our 1989 corporate sponsors for their support of this effort!
2. **FIRST CALL FOR PAPERS!!!** The SDAG annual field trip is scheduled for October 20, 1990 and will focus on geotechnical issues covering a wide range of topics relative to engineering geology and geotechnical engineering. The topics will include innovative ways of slope and landslide stabilization, deep fill monitoring, post-construction settlement, fill saturation and ground improvement techniques. Case histories of fill slope and crib wall failures, etc. will also be relevant. If you would like to contribute a paper, please contact John Hoobs at Geocon Incorporated, (619)558-6900.
3. SDAG is looking for Corporate sponsors to help in our yearly expenses. We would like to thank **Leighton and Associates** for their support this year in preparing and mailing the newsletter! If you or your company would like to become a 1990 corporate sponsor and be recognized in our SDAG newsletter, directory, and at the following month's meeting, send a minimum \$100 contribution to SDAG c/o Sue Tanges at Leighton and Associates.
4. The SDSU Geology Alumni annual banquet will be held Saturday, March 24 at the Natural History Museum. For more info, call Eugenia Sangines at (619)541-0833.
5. The 1989 SDAG-SCEPP joint publication will be available when it's ready and hopefully that will be before 1991!!! (really folks, April 1990)
6. Deadline for announcements to be included in the April newsletter is March 30. Please submit in writing to Sue Tanges at Leighton and Associates (FAX (619) 292-0771).
