RESERVATIONS REQUIRED! by 4pm **FRIDAY, November 13.** Please make reservations ASAP at (619) 492-5034 (note new phone number). Please call if you need to cancel your reservation.

SUMMARY: The November meeting will include a poster session and video/computer animation efforts by SDSU students. Posters will be provided by SDAG members, students, and other geo-types that might have interesting geologic stuff to share. . . . and we will be treated to a presentation of video and computer animation efforts generated by students at SDSU under the tutelage of Dr. Eric Frost. Their efforts will focus on geologic hazards in the San Diego region. A raffle of donated goodies will occur during dinner. See you there!!!

Thank you for not smoking in the meeting room!

ANNOUNCEMENTS:

1. **CALL FOR POSTERS!!!** The November SDAG meeting will include a poster session where you can display and discuss interesting geologic stuff you'd like to share. Please call Sue at 442-8022 if you have a poster you'd like to bring.
2. **CALL FOR RAFFLE DONATIONS!!!** SDAG will be hold its annual raffle during the November meeting and is looking for donations. If you would like to contribute maps, books, or ???, please contact Sue at 442-8022.
3. **1993 is almost here!** Anyone interested in becoming a SDAG Executive Committee officer (i.e. 1993 Treasurer), please contact Sue Tanges at 442-8022. SDAG needs someone who is willing to volunteer four years of their time and energy for the opportunity to have a great time planning and organizing monthly meetings, annual field trips, and picnics. Don't be shy, let us know by the November meeting if you're interested in being nominated for SDAG's 1993 Treasurer.
4. The **ASCE-Geotechnical Division** monthly meeting will be on November 17th. Dr. Howard Pincus will be presenting the results of his Interlaboratory Study of ASTM Rock Properties Laboratory Testing Methods. Please call Dave Corley at 558-6900 for more information.
5. **Moore & Taber**, a geotechnical and environmental consulting firm, has changed its name to **M&T AGRA, Inc.** Moore & Taber, founded 38 years ago, has been affiliated with AGRA Earth & Environmental Group for the past 8 years.
6. The **II International Meeting on Geology of the Baja California Peninsula** will be held April 19-22, 1993 in Ensenada. For further information, please contact: Facultad de Ciencias Marinas/Instituto de Investigaciones Oceanológicas, Universidad Autónoma de Baja California, Apartado Postal 453, Ensenada, Baja California, Mexico, Tels: (667)4-40-01, 4-40-02.
7. The last day for announcements to be included in the **DECEMBER SDAG** newsletter is November 23. Please submit items in writing to Joe Corones (fax 492-5041).

EMPLOYMENT OPPORTUNITIES:

1. **David J. Newton Associates, Inc.** is looking for a geotechnical engineer/engineering geologist with a minimum of 5 years experience to make independent decisions in construction observation, investigations, analyses, and report preparation. Enthusiasm for field/office work and versatility to work in civil-geotechnical firm are vital. Send resume to David J. Newton Associates, Inc., 1201 SW 12th Avenue, Suite 400, Portland, Oregon 97205, Attention: Mr. Tom Kuper (phone 503-228-7718)

ADDITIONAL NOTES

Help!!! Due to the economy, SDAG funds are lower than usual, However, we have hundreds of publications available for sale. If you have been putting off purchasing that publication- please help us out and consider buying it now. Hey; Christmas is almost here.

Mark Your Calenders!!! SDAG is planning a Mammoth Mountain Ski Trip with South Coast Geological Society. The trip is tentatively scheduled for the first weekend in March. Details to follow. For further information contact Lyne Perry @ (619) 268-3360.

SDAG is looking forward to 1993 and requests your input on meeting topics, speakers, and meeting places. What do you want to hear about, who do you want to speak and where do you want to eat?
